BDR004 Steel Single Bread Crate Dollie

Richmond's single bread dollie is ideal for use with Richmond's bread crate (BCR001). With a steel construction and 4 x 100mm white nylon swivel castors, this bread dollie is strong, manoeuvrable and ideal for use in small or large commercial bakeries.

- 700 x 610mm dimensions
- Suits single bread crates/pastry trays
- 100mm white nylon wheels
- 400kg capacity

BDR001 Steel Double Bread Crate Dollie

Designed for use in large commercial bakeries, these wide dollies allow for up to two sets of crates to be stacked side-by-side, for the secure transport of large quantities of baked goods.

- 1200 x 695mm dimensions
- Holds up to two bread crates per stacked row
- 100mm white nylon wheels
- 400kg capacity

A wide range of castor options are also available, including stainless steel.
